Jane's Triangle…

My Triangle…

Bottom 1…

Difficulty Very Easy

Paper Foundation

Number of Pieces = 11

I love this one, it is one of my favorite triangles. It reminds me of the Cape Hatteras Light House on the Outer Banks of North Carolina. After all the paper foundations you all have done, this one is a piece of cake. Very simple, flip and sew.

Number of Pieces = 32

On this one, I have added a center seam, to make the paper foundation easier. It has a lot of pieces, 32, but again, it isn’t really too hard to do.
